A UNIQUE WAY TO SELL YOUR HOME

An exclusive launch event for qualified buyers and the agents who represent them

Instead of relying on multiple public open houses, I begin with a focused launch designed to introduce your home to agents representing qualified buyers whose needs match your property. The result is a more strategic introduction to the market with less disruption to your life. Your home has one opportunity to make a powerful first impression. I believe it should be intentional—not left to chance.

QUALIFIED BUYERS

I personally invite agents whose qualified buyers are searching for a home like yours.

ONE COORDINATED LAUNCH

A strategically planned launch designed to maximize your home's first impression.

LESS DISRUPTION

Fewer weekends spent preparing, cleaning, and leaving your home.

MAXIMUM EXPOSURE

Targeted agent outreach designed to introduce your home to the right buyers from day one.

INCLUDED WITH EVERY LISTING

HOME WARRANTY

This benefit helps potential buyers feel protected and secure.

PROFESSIONAL CLEAN

I provide the cleaning crew, manage the schedule and inspect the results, before the photographer comes in.

DESIGN CONSULTATION

This is not staging, the designer will utilize your own furniture. I bring in the designer and execute every recommendation - pending your approval.

VENDOR MANAGEMENT

My preferred vendors will meet all of your home improvement needs and I manage them until completion. Another chore done for you.

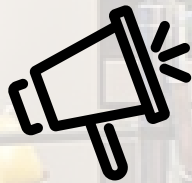

PROFESSIONAL MARKETING THAT CREATES MOMENTUM

Your home deserves more than a sign in the yard and a listing on the MLS. It deserves a **LAUNCH!**
